GOVERNMENT OF INDIA
CIVIL AVIATION
LOK SABHA

UNSTARRED QUESTION NO:1477
ANSWERED ON:24.11.2016
Aviation Projects in Haryana
Kataria Shri Rattan Lal;Kumar Shri Ashwini

Will the Minister of CIVIL AVIATION be pleased to state:

(a) whether the Union Government proposes to set up an airport and Maintenance, Repair and Overhaul (MRO) hub for aircraft in Hisar in Haryana;

(b) if so, the details and present status thereof;

(c) whether the Union Government has received any proposal from State Government of Haryana for development of airport in Karnal; and

(d) if so, the details and the current status thereof and the status of ongoing aviation projects in the State of Haryana?

Answer

Minister of State in the Ministry of CIVIL AVIATION

(Shri Jayant Sinha)

(a) & (b): The airport at Hisar belongs to the State Government of Haryana. Ministry of Civil Aviation, Government of India (GoI) has received a proposal from Government of Haryana (GoH) for development of Hisar as International Airport/Integrated Aviation Hub. The proposal is processed as per Greenfield Airport Policy 2008 and comments of Airports Authority of India (AAI), Directorate General of Civil Aviation (DGCA) and Ministry of Defence (MoD) has been sought on the proposal.;

(c) & (d): The State Government has forwarded a proposal to develop Hisar and Karnal airports under the Regional Connectivity Scheme. However, selection of the airports under Regional Connectivity Scheme (RCS) is "demand driven", i.e. depending on firm demand from the airline operators on a particular route and also subject to the State Government"s commitment to provide various concessions envisaged in the Policy.
